Dear Chamber Member:

I would like to take this opportunity to inform you of two parking changes that have recently been enacted. These changes will provide additional customer parking in the downtown business area.

- 1) Free parking is now available in the Commuter parking lots around the train station beginning at 10:00 a.m. instead of 11:00 a.m. on weekdays. Parking remains free in these lots on weekends and holidays.
- 2) Five short-term parking spaces have been designated on the south side of Park Avenue across from the Union Church. Previously, all spaces on this side of Park Avenue were unrestricted.

We encourage you to pass this information on to your customers. As always, if you have any questions concerning parking in Glencoe, please don't hesitate to contact our Department at (847) 835-4112.

Sincerely,

Mikel N. Milks, Director  
Glencoe Public Safety
